

Robert L. Camp, M.D., Ph.D., Associate Research Scientist in Pathology. Clinical interest: quantitative pathology.

S. David Hudnall, M.D., Professor of Pathology; Director, Hematopathology Program. Clinical interests: hematopathology and laboratory hematology.

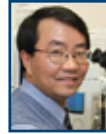

Vincent T. Marchesi, M.D., Ph.D., Anthony N. Brady Professor of Pathology and Cell Biology. Clinical interest: neurodegenerative diseases.

Antonio Subtil-Deoliveira, M.D., Associate Professor of Dermatology and Pathology. Clinical interests: cutaneous lymphoproliferative disorders and melanocytic lesions.

David Chhieng, M.D., Professor of Pathology and Director, Cytology. Clinical interests: gynecologic cytology, thyroid and pancreas fine needle aspiration biopsy, breast pathology, and immunohistochemistry.

Pei Hui, M.D., Ph.D., Associate Professor of Pathology; Director, Clinical Molecular Diagnostics Laboratory. Clinical interests: gynecologic pathology, general surgical pathology, and molecular diagnostics.

Jennifer M. McNiff, M.D., Professor of Dermatology and Pathology; Director, Dermatopathology Program. Clinical interests: cutaneous lymphomas and clinicopathologic correlations.

Fattaneh A. Tavassoli, M.D., Professor of Pathology and Obstetrics, Gynecology, and Reproductive Sciences; Director, Pathology Women's Health Program. Clinical interests: breast and gynecologic pathology.

Young Choi, M.D., Professor of Pathology and Laboratory Medicine; Director, Bridgeport Hospital Clinical Laboratories. Clinical interests: immunopathology, molecular pathology, and all areas of anatomic and clinical pathology.

Anita Huttner, M.D., Assistant Professor of Pathology. Clinical interests: neuropathology, stem cell biology and neurocognitive and neurodevelopmental disorders.

Kisha A. Mitchell, M.D., Assistant Professor of Pathology. Clinical interests: gastrointestinal and liver pathology.

Constantine Theoharis, M.D., Assistant Professor of Pathology. Clinical interests: cytopathology, endocrine pathology, and general surgical pathology.

Paul Cohen, M.D., Assistant Professor of Pathology; Interim Chair Bridgeport Hospital. Clinical interests: general surgical pathology, thoracic pathology, and gynecologic pathology.

Dhanpat Jain, M.D., Associate Professor of Pathology and Medicine (Digestive Diseases); Director, Gastrointestinal Pathology Program. Clinical interests: GI and liver pathology, including liver tumors; gastrointestinal stromal tumors, prostate cancer risk and mortality, and motility disorders of the bowel.

Gilbert Moeckel, M.D., Ph.D., Associate Professor of Pathology, Director, Renal and EM Laboratory. Clinical interests: renal pathology, progression of interstitial fibrosis, acute kidney cell injury, and renal cell carcinoma microenvironment.

Alexander Vortmeyer, M.D., Ph.D., Associate Professor of Pathology; Director, Neuropathology. Clinical interests: nervous system disorders and hereditary tumors.

José Costa, M.D., Professor of Pathology and Medicine (Oncology); Director, Translational Diagnostics; Director, Musculoskeletal Tumor Program. Clinical interests: oncologic pathology and molecular diagnostics.

Michael Kashgarian, M.D., Professor Emeritus of Pathology and Senior Research Scientist. Clinical interests: renal pathology, electron microscopy, and advanced imaging techniques.

Jon S. Morrow, M.D., Ph.D., Raymond Yesner Professor of Pathology and Chair; Professor of Molecular, Cellular, and Developmental Biology; Chief of Pathology, Yale-New Haven Hospital. Clinical interests: hematologic and renal disorders.

Zenta Walther, M.D., Ph.D., Assistant Professor of Pathology. Clinical interests: gastrointestinal and liver pathology, molecular diagnostics, and colorectal carcinogenesis.

Shawn E. Cowper, M.D., Associate Professor of Dermatology and Pathology. Clinical interests: nephrogenic systemic fibrosis, alopecia, and informatics.

Bart Kenney, M.D., Assistant Professor of Pathology. Clinical interests: gastrointestinal and liver pathology.

Vinita Parkash, M.D., Associate Professor of Pathology; Director of Surgical Pathology, Bridgeport Hospital. Clinical interests: gynecologic pathology and genitourinary pathology.

A. Brian West, M.D., Professor and Vice Chair of Pathology; Director, Anatomical Pathology. Clinical interests: pathogenesis and diagnosis of non-neoplastic diseases of the gastrointestinal tract and hepatobiliary system.

Akosua Domfeh, M.D., Assistant Professor of Pathology. Clinical interests: cytopathology and breast pathology.

Sihem Khelifa, M.D., Assistant Professor of Pathology. Clinical interests: breast and gynecologic pathology.

Marguerite Pinto, M.D., Assistant Professor of Pathology. Clinical interests: gynecologic and breast pathology; cytopathology, including fine needle aspiration (FNA).

Raymond Yesner, M.D., Professor Emeritus of Pathology and Senior Research Scientist. Clinical interests: lung cancer and prognostic factors in prostate cancer.
